

Free up the “Hidden Value” of your obsolete inventory and surplus stock!

Your shop can go from this...

Tap into an income source you never realized had value!

To this!

Obsolete Product Program “Cash for Trash”

Get organized and increase your efficiency now!

Here's an exceptional opportunity to reduce your surplus stock and obsolete inventory to make room for today's product needs.

Solve inventory problems fast!

- Are you plagued by wasted space?
- Do you confront inconsistent quality?
- Are extra dollars tied into carrying obsolete stock?
- Do you have too much invested, yet can't find the required parts?

The cost saving benefits:

- Freed-up inventory space
- Reduced inventory investments and associated carrying costs
- Improved capabilities of small parts storage areas
- Realized price reductions on Chromate's entire stocking line of high quality products
- Reduced time spent sorting through overstocked storage equipment for needed quality parts
- Cleaned up tool cribs, satellite locations & cabinets for safety sake!

Obsolete Product Program...

Here is how it works!

RECEIVE FULL CREDIT

for all identified obsolete or surplus material... regardless of source.

RECEIVE A FULL 10% DISCOUNT

off the following 12 months Chromate purchases using your obsolete product program credit.
