Lifetime Warranty Information

Since 1927, the Wright Tool Company has manufactured top quality hand tools. The use of Wright Alloy™ steel, precision heat treating, and advanced manufacturing techniques results in products of long life, durability, and toughness. Therefore, for as long as you own it, any product manufactured by Wright Tool which fails to render service due to defect in workmanship or materials will be replaced at no charge. This warranty does not apply to any defects or problems caused in whole or part by misuse, abuse, alteration, or worn out from use. Wright Tool makes no other warranties, express or implied, with respect to the tools or their suitability for specific applications. Replacement is the exclusive remedy, and Wright Tool neither assumes, nor authorizes any person to assume for it, any other warranty, or obligation express or implied.
