Paint, Varnish and Adhesive Hand Cleaner

Safely and effectively removes paints, urethanes, sealants, adhesives, stains, plastic fillers, putty and more.

Fortified with eight skin care ingredients and micrograin scrubbers for extra cleaning power. Rinses thoroughly with no unpleasant odor or sticky after-feeling. Leaves a fresh, clean scent.

Rub a small amount into the hands, add a little water and rub hands vigorously. Rinse hands and dry thoroughly.

Environmentally friendly with no greasy residue. Complies with VOC Consumer Product Rules.
