Packaging: 50 gloves per dispenser box

Serious protection from your work environment while keeping your most important tools, your hands, in top condition for maximum productivity. The ultimate in barrier protection!

- Ultra Thick 15 mil glove! Four times thicker than standard exam gloves
- Reduced Latex Protein!* Additionally processed to remove extra latex proteins from the glove, which may reduce the risk of allergic reactions to latex
- Meets or exceeds the emergency medical glove requirements of NFPA 1999, Standard on Protective Clothing for Emergency Medical Operations, 2013 edition
- Extra long 12" cuff for added protection
- Super strength
- Textured fingertips and smooth palm
- Approved for medical use

* **Caution:** This product contains natural rubber latex which may cause allergic reactions in some users. Safe use of this glove by or on latex sensitized individuals has not been established.

Glove Dispenser, P/N 50020

- Wall mounted
- Durable white powder coated finish
- Store in easily accessible location
- Keeps boxes securely in place
