

Cutting Tool & Lube Combo Pak

P/N 40004

\$170.93

CIC 200™ Hex Shank Combination Drill & Tap Set – Metric

P/N 8847

- 6 Sizes – Metric
- M4x.7 / M5x.8 / M6x1 / M8x1.25 / M10x1.5 / M12x1.75
- 135° split point – Holes and threads to be cut at high speeds
- Create holes and tap in a single operation
- No center drilling or punching required
- Ideal for use in portable power drills
- Taper neck design reduces chance of breakage
- Durability provided by high molybdenum content high speed steel
- More holes per drill than ordinary twist drills, especially in cordless power tools
- Functional black and gold surface treatment holds lubricant for smoother drilling

Packed in a rugged plastic case.

Red Lion™ Cutting Wax

P/N 74559 – 2 oz.

- Specially formulated multi-purpose cutting wax
- For faster, smoother cutting operations and longer tool life
- Use for all drilling, cutting and tapping applications
- Continuous shield against friction and heat
- Especially effective on stainless steel, aluminum and many exotic alloys
- Extends tool life and reduces chip welding
- Reduces tool costs and work piece scrap
- Provides a precision finish with closer tolerances on your finished work
- Nonflammable – for increased safety
