### Anti-Fatigue Mat

Anti-fatigue mats alleviate stress to the back and legs where people have to continually stand or walk, which in turn increases worker productivity. Non-slip surface means that the mat is ideal for use in wet or dry conditions to reduce slip hazards.

#### Features and Benefits

- 3' x 5' – Black mat
- 5/8" thick
- Solid Nitrile Rubber for excellent chemical resistance
- Textured Nitrile Rubber surface for superior slip resistance
- Welding Safe
- Closed-cell Nitrile/PVC cushion backing provides long lasting comfort
- 100% Nitrile Rubber border remains flexible for the life of the mat and will not crack or curl.
- Certified slip-resistant by the National Floor Safety Institute.
- Recommended for use in work stations, assembly lines, shipping lines and other areas where workers stand for extended periods.

### Loctite® Stick Kit

- 248 Medium Strength Threadlocker
- 268 High Strength Threadlocker
- PST® 561 Thread Sealant
- C5-A® Copper Anti-Seize
- Silver Grade Anti-Seize
